Extension letter / Confirmation of Enrolment Period and Language of Instruction M.Sc. Electromobility-ACES winter semester 2024

We hereby confirm that students who have been granted admission to our Master's degree program Electromobility-ACES for the winter term 2024 can enroll via letter mail until 30 September 2024.

The FAU admission committee has checked the application documents, especially the language skills. If an applicant shows a positive admission letter from FAU, then all requirements set by the admission commission have been fulfilled. The entire Master's program can be completed in English language. The regular course duration is 2 years (4 semesters) and may be exceeded by 1 semester.

Our university is aware of the difficulties students might face regarding travel and their arrival. The program allows students to join FAU in person until 15 November 2024.

Yours sincerely,

Signed Dr.-Ing. Oliver Kreis
Managing Director Education
